

Take the shuttle and ski downhill all the way to Craftsbury!
The shuttle runs most weekends in the winter. Visit Craftsbury.com/snow for more info

Ski Trail Use Guidelines

We are grateful to the many landowners who allow us to groom trails on their property. Please respect the land we ski on.

- Dogs are not permitted on the Greensboro Trails, except for on the Town Hall Loop.
- These trails include uneven terrain, narrow sections and challenging downhills. Please use caution and ski within your ability.
- Trails are two-way unless designated otherwise.
- Downhill skiers have the right of way.
- Please do not damage the classic track by skating or herringboning on top of it.
- Use caution where trails intersect and join snowmobile trails.
- Ski at your own risk. Call 911 in case of emergency. The Highland Lodge is not staffed for emergency response.

LEFT: load the georeferenced version of this map in Avenza Maps.
RIGHT: stay up to date on trail conditions via Trail Hub.
