Every Road
Craftsbury

In the month of August, challenge yourself to travel every road in Craftsbury by foot – running or walking! Any person who completes all 70.5 miles of passable town road earns a special prize (to be revealed) and all participants earn entries into a raffle with prizes from local partnering businesses. Earn raffle entries for everything from every new mile completed to posting selfies with every road sign. Let the goal of running #everyroad be your guide to experiencing, celebrating, and discovering our Craftsbury stomping grounds in a new way.
